Mari Vineyards

Mari Vineyards uses cutting-edge techniques to craft its traditional Italian style red and white wines. The winery features a 3,000 square-foot cave buried more than 10 feet underground – the first wine cave of this scale and depth in Northern Michigan. This unique environment keeps the wines at an ideal 55 degrees. At ground level, the winery features a spacious tasting room and outdoor patio.

Peninsula Cellars

Peninsula Cellars was founded by an industrious family that has farmed Old Mission Peninsula for over 100 years. The historic Maple Grove Schoolhouse serves as the tasting room, offering a nod to the winery's time-honored roots. The friendly, knowledgeable staff serves red and white varietals, fruit wines, and hard ciders in a warm, hospitable atmosphere.

Tabone Vineyards

Tabone Vineyards is an estate winery that produces and bottles award winning wines grown from our own vineyards, including Riesling, Chardonnay, Pinot Gris and more. Overall, our focus is on bright, dry, fruit-forward wines, but there are options for everybody. You can expect a fun, welcoming atmosphere and team in addition to beautiful scenery. We are certain you will find a wine you enjoy!
